M. Edwin Raj and Mr. V. Kannan, my teaching faculty, parents and my beloved students. I welcome you all.

“Develop a passion for learning, if you do, you will never cease to grow.” - Antony J. D' Angelo.

The learning to be effective it need to be delivered in a congenial milieu at Evans, there exists and elate access to world class teaching learning infrastructure which ensure students pursuits of knowledge as a rewarding experience.

Evans provides a conducive and safe physical environment with spacious classrooms, well equipped labs, sanitized rest rooms and huge play ground which fosters the spirit of sports and games that nurtures the skills and talents of our students.

As a journey into a new beginning with high expectation and academic rigor, we stepped on to the new academic session on 3rd June 2019 with rejuvenated spirit and revitalized inspirations and fresh new dreams.

School strictly adheres to the Curriculum prescribed by Central Board of Secondary Education and the Text books prescribed by National Council of Educational Research and Training (NCERT). Learning strategies are being designed as per the direction from CBSE and the stress has been given to Experiential Learning, a concept which has been recently insisted by CBSE in all schools which are affiliated to the Board. In coherence with the contemporary needs the school curriculum is much focused and multi-dimensional in redesigning the students behavioral pattern and intellectual growth. I take the modesty to say that we adopted ourselves to the remodeled assessment structure from CCE as we planned and we are proud of our students and teachers who strive hard to achieve beyond expectations. Thus we rely on activity and project oriented teaching as well as subject enrichment activities. As per the CBSE curriculum the school follows the pattern of teaching by conducting periodical performance test and term examinations followed by a comprehensive parents teachers

meeting. PTM becomes an effective means to understand the children besides academic progress.

Thanks for the over whelming response of the parents and my sincere gratitude to the management for the patronage and support extended by their presence in the PTM's. After the assessments, the students were honored in the general assembly as a token of appreciation and encouragement.

Overall championship of the year goes to **Mercury house with 769 points and** the runner up is **Jupiter house with 754 points for** their performances in academics, games cultural and other events.

Digitalization and globalization are converging today to redefine school education. In Evans from Kinder Garten to Grade – III we follow I MAX Curriculum of learning, and from Grade – IV to Grade – X NCERT. All classrooms are equipped with digital teaching system.

Kinder Garten to Grade - III students celebrated their Colour Concept Days. All the children from the KG to Grade - III, and teachers dressed colourfully to celebrate this occasion. The classrooms too were decorated with different colours to welcome our children. Our tiny tots looked beautiful with their coloured attires. The days began with a short prayer and continued with various activities like singing, dancing and object talk. All the children enjoyed this special day and went home with smiles on their face. The motive of celebrating Colour Concept day is to create awareness in children on different colours. Through these activities children develop psychomotor and cognitive skills.

Fruit day was celebrated on 22nd August 2019.

CAPACITY BUILDING PROGRAM FOR TEACHERS...

“Staying updated is a key to success in any field, especially in the field of education”.

Our teachers constantly strive to stay updated. We are fortunate to have a cadre of nearly 36 teachers who are well trained, well experienced, dedicated and capable of fulfilling the demands of the growing modern generation of students.

It was an attempt which inclusively engulfed various significant aspects like Moral Values, Life Skills by CBSE, Meditation & Stress Management, English Language and Mathematics. Apart from this, our teachers are made a part of the training sessions and workshops happening at other schools. Our teachers attended various CBSE workshops hoisted by Dakshin Sahodaya Complex, Nagercoil on Happy Schooling, Assessment and Evaluation, Life Skill and workshop on various academic subjects. Attendee teachers further shared the knowledge with other fellow teachers widening the sphere of wisdom.

ANNUAL AWARD DAY.....

Students were felicitated for their achievements in the literary and cultural activities that were conducted throughout the year on prize distribution day 30th January 2020 and the **Chief Guest of the day was Dr. A. Linda Primlyn, MA., M.Phil., Ph.D. Associate Professor of English and Assistant Controller of Examination, Scott Christian College, Nagercoil.**

JOURNEY AHEAD...

The School infrastructure is constantly being upgraded. The school made a conscious decision to implement '**IMAX curriculum**' for Kindergarten students for the upcoming year. LEAD School for Grade - I to V, and as a part of it a Lead Orientation was conducted on 7th December 2019. The resource persons of the day were Mr. J. Austin Bomnic and Mr. Uma Shanker. From Grade - VI onwards we follow NCERT. To keep up standards for excellence in content,

delivery, assessment and professional development of the students and the faculty.

CONCLUSION...

I place on record the deep sense of gratitude for the instinctive support of parents and well wishers for their patronage and my team of teachers for their relentless pursuits in fulfilling our motto “Soaring to Success”.

Finally I thank God for yet another glorious year and seek his bountiful blessings for the year ahead.

Every child has a vision, and we fulfill it *at Evans...*
